

## **Week 1: Survivor**

### Fernbank WildWoods

We will outwit, outplay and outlast this week. We will learn how to work as a team by doing team building activities. Together, the campers will build team spirit as they compete throughout a variety of games and challenges for rewards and immunity from elimination. They will test their strength, endurance, balance, coordination, courage and mind over matter. Fernbank WildWoods new exhibit will be the perfect backdrop for us to survive! <http://www.fernbankmuseum.org/explore/permanent-exhibitions/wildwoods/>

## **Week 2: Chopped Junior**

### Young Chef's Academy

We will explore basic cooking techniques and culinary skills. Campers will learn kitchen safety as they become familiar with the necessary materials and items needed to create healthy snacks and meals. Cooking is a great opportunity to sharpen life-skills and stir up creativity! We will bring a world of learning through cooking. Cooking uses many of our favorite subjects such as math, reading, geography and science. We will explore different cultures and themes all over the world and how our recipes relate to the past, present and future! Our field trip to Young Chef's Academy will be the high light of the week as we prepare a snack in their kitchens! <http://sandspringsga.youngchefsacademy.com/>

## **Week 3: Running Wild with KRK**

### Big Canoe

The beauty of the North Georgia Mountains offers plenty to do within the gates of Big Canoe. The first to inhabit Big Canoe were the Paleo Indians more than 15,000 years ago. We will put our "survival skills" to the test as we explore Big Canoe. It will take strength and endurance as we hike the forest in search for a waterfall, a pioneer house and a bridge to name a few. We will tackle our fears as we brave the rock slide, canoes and paddle boats. We will learn basic survival skills as we learn to identify animal tracks, tie knots, build shelters, read a map and learn basic first aid.

## **Week 4: Battlebots**

### Robotic Explorers

We will have a fun and challenging week as we explore the world of robots. We will use real and found materials, legos, kits and more to create our own version of Battlebots. Our field trip to Robotic Explorers will introduce us to computer programming as we learn to bring our ideas to life with sounds, sensors and movement. Throughout the week, we will put our creations to the test against each other and see if we have what it takes to survive the tournaments. <http://www.ryre.org/index.html>

## **Week 5: Animal Planet**

### Wild Animal Safari

We will get up close and personal with many types of animals this week. Luckily, we don't have to travel far to experience hundreds of exotic animals from around the world. We will immerse ourselves in the life of the animal kingdom with rich, deep content through multiple platforms. This week we will be "on the farm", "at the zoo", "in the forest", "in a land before time" and "a life of pets". At the Wild Animal Safari, we will tour the park in a "Zebra Bus" as we feed hundreds of animals. <https://animalsafari.com/Georgia/>

## **Week 6: Deadliest Catch**

### Georgia Aquarium

As we learn about Alaskan King Crab, lobsters, clams and more we will explore the discomfort that the fishing crew face to catch these delicacies. We will engage in hands on experiences with real crabs, lobsters, shrimp and more! In the kitchen, we will be creating sea life themed snacks to enjoy. At the aquarium, we will look for some of these animals and enjoy interactive experiences throughout the aquarium. <https://www.georgiaaquarium.org/>

## **Week 7: American Ninja Warrior**

### Slingshot Entertainment

This action packed week will follow campers as they tackle a series of challenges. They will compete in a series of obstacle courses that will test their balance, agility, speed and upper body strength. Creativity, speed, flow, flexibility and great strength all come in to play when deciding how to overcome obstacles in our path. Our goal will be fitness and fun this week. We will learn about healthy living as we train to complete our version of Mt. Midoriyama! While at Slingshot, we will maneuver an American Ninja type course that will be full of excitement and fun! <http://www.slingshotplay.com/play>

## **Week 8: America's Got Talent**

### Talent Show at First Baptist Roswell Church Gym

Let your inner performer shine at our KRK's Got Talent Week and Show. Campers will explore a variety of talents and showcase their uniqueness. We will learn some cultural dances and explore with instruments. The show will not be complete without costumes. We will create our attire out of real and found materials. The week will conclude with a evening star-studded performance as we celebrate our creativity and talent for family and friends. The KRK's Got Talent Show will occur on Friday, July 21<sup>st</sup> from 6:30 pm – 7:30 pm. Please have all participants at First Baptist Roswell by 6:00 pm for an amazing show!

## **Week 9: Sports Center**

### College Football Hall of Fame

We will dive into sports this week and participate in several different sports. We will learn about major sporting events, statistics and sports icons. Campers will learn the game of baseball, football, basketball, soccer and golf. We will have many sports inspired projects throughout the week. At the Hall of Fame, campers will learn the history of football, film their own Sports Center clip, learn fight songs and learn to kick a field goal! <http://www.cfbhall.com/>

## **Week 10: The Amazing Race**

### Race Through Roswell

We will race around Roswell and navigate areas that may be familiar to us. We will learn about the history of Roswell, the culture and many points of interest. Throughout this journey, we will compete in physical and mental challenges. When the task is complete, we will tackle our next location. Will you be able to conquer the Arctic Ice? Do you have steady hands to build a replica of the Eiffel Tower? Team work will be a necessity as we complete this amazing race!
