# KRK 16 GOES

# HOLLYWOOD

# Summer Camp

Lights, Camera, Action! KRK 16 is taking on Hollywood! Walk down the "red carpet" where your child will spend the summer with weekly activities, field trips, and gross motor activities as they become a star! We have an incredible camp planned this summer. We will engage in many S.T.E.A.M. driven activities as we explore different aspects of Hollywood. Campers will participate in activities that will reflect the weekly theme.
